HELP DOCUMENT HORSESHOE CRAB NESTING BEACHES!

Join us on one of the following dates:

March 27 & 28 @ Fort Clinch Amelia River Campground - 9:30 AM

April 10 & 11 @ Fort Clinch Visitor Center Parking Lot - 9:30 AM

May 11 @ Fort Clinch Atlantic Beach Campground - 10 AM

May 12 @ Amelia Island State Park/Kelly Seahorse Ranch Parking Lot - 10 AM

UF/IFAS Extension needs your help monitoring Amelia Island beaches for horseshoe crab nesting habitat! We will be surveying beaches for presence of horseshoe crabs and documenting our findings for the Florida Fish and Wildlife Conservation Commission (FWC). Data will go toward development of a Citizen Science Program by FWC.
