

URBAN FARMING WORKSHOP

MARCH 21, 2012

*Successful techniques for alternative small farms
and market gardens in or near urban centers*

Learn about hydroponics, aquaponics, vegetable production, producing blueberries & alternative landscape groundcovers, small poultry flocks, the new cottage food law...and much more!

UF UNIVERSITY of
FLORIDA
IFAS Extension

Are you a Locavore?

If you search for or buy and consume locally grown food produced within 100 miles of your home, then you are a Locavore!

**Grow local/
buy local**

Sustainable living means producing and marketing food closer to our local communities. The Urban Farming Workshop series presents information that will help individuals and businesses successfully grow and market food products in Central Florida.

Registration

Pre-registration required –\$20 per person includes lunch and program materials! Please see back of flyer.

For further info, call Darla Wilkes at 407-254-9202 or darla.wilkes@ocfl.net.
