

The 6th National Small Farm Conference – “Promoting the Successes of Small Farmers and Ranchers” – will be held September 18-20, 2012, at the Memphis Convention Center in Memphis, Tennessee. Successes in small farm activities will be shared as well as innovative ideas in research, extension and outreach to strengthen collaboration and partnership among state specialists who work to ensure that small farmers and ranchers not only survive, but thrive in today’s economy. This Conference will also serve as a forum to discuss the results of research geared towards addressing challenges facing small farmers and ranchers. Strengthening partnerships created at the five previous National Small Farm Conferences will continue to be a priority for the Memphis meeting. This conference will consist of short courses, oral presentations, exhibits, poster paper presentations and educational tours within Tennessee, Arkansas, and Mississippi.
